MB973SP-2B Key Features

* Fits *3 x 3.5" SATA III HDD into 2 x 5.25" Device Bays.*
* Supports *SATA 3 (6 Gb/s) hard drives.*
* Compact and space saving design to fit multiple drives.
* Designed for consumers & enthusiasts gaming / media computer cases and servers.
* *Tray-less design* for genuine plug & play and hot swap use.
* *Front and rear ventilation slots.*
* *80mm cooling fan* for maximum air flow.
* *3 speed fan control,* including auto setting featuring Smart Cooling Technology.
* *Lightweight aluminum body construction* for durability and heat dissipation.
* *Fan is replaceable with aftermarket fans* that use standard 2-pin or 3-pin connectors.
* *SuperSpeed USB 3.0 hub built into front* of device for performance and easy access.
* *Active Power Technology+* – cooling fan and drive only powers up when the child proof power buttons are pressed.
* *Flex Fit Design* – accommodates different 5.25" tab lengths for different type of cases.
* *Multi-locking door latches* to prevent accidental drive ejection.
* *Two 4 pin to 15 pin adapter cable included* for 15 pin SATA power ports.
* *ICY DOCK 3 year warranty* equivalent to hard drive manufacturer warranty to ensure maximum reliability and long life.

3 YEARS WARRANTY

SATA 6Gbps

Model Number	MB973SP-2B
Color	Black
Drive Fit	3.5" SATA 1.5 / 3 / 6 Gbit/s hard drive x 3
Drive Bay	5.25" half height device bay x 2
Host Interface	7 pin SATA port x 3
Power Input	4 pin power port x 2 or 15 pin power port x 2
	(w/ included 4 to 15 pin adapter cables)
Transfer Rate	Up to 6Gb/sec. (depending on hard drive speed)
Insert& Extract connection via	Direct SATA hard drive connection
Front Panel Contents	USB 3.0 Hub (2 Ports)
	Adjustable fan speed control (High/Low/Auto)
Structure	Aluminum body w/ partial plastic
Drive Cooling	Removable rear outtake fan w/ aluminum heat dispersion
Cooling Fan Type	80mm ball bearing fan with 2 or 3 pin connector
Power Indicator	Blue LED
HDD Access Indicator	Flashing blue LED
Dimension (L x W x H)	8.27" x 5.75" x 3.35"
Weight	1.99 lbs
