

VE800

HDMI Extender

The VE800 HDMI Extender extends your HDMI display up to 60 m away from your HDMI source using two Cat 5e or Cat 6 cables. It is equipped with HDMI (high definition multimedia interface) connectors and is capable of supporting DVI (digital visual interface) equipment when used with a HDMI-to-DVI adapter, providing greater flexibility and installation options when integrating several home theater components.

Setup

Features

- Extends the distance between HDMI source and HDMI display
- Uses Cat 5e / 6 cable in place of HDMI cable to achieve long distance transmission – 40 m for 1080p; 60 m for 1080i (HDTV)
- Fully compliant with HDMI 1.3b specification
- HDCP compliant
- Supports 12-bit Deep Color for HDMI formats
- High quality video – 1920 x 1200, up to 1080p
- Signaling rates up to 2.25 Gbps in support of 1080p display – data rate is 250 Mbps–2.25Gbps
- Compatible with ATEN HDMI switches and HDMI splitters

Specifications

Function		VE800L	VE800R
